We are a manufacturer of rubber stamps and we use small businesses our agents. The majority of our agents are Licensed Post Offices, Newsagents, Office Supply businesses and Printers. However any type of retail or business outlet is suitable.

We use a variety of Rubber Stamp mounts but mainly self inking Ultimark, Ideal , Colop, PSI and NSP brands. Hand stamps are also manufactured. Unless a particular brand is stipulated we will choose the type we consider most suited to the customers needs. We offer a design preview and quotation if required.

WHAT'S IN IT FOR YOU

The commission we pay you is **25%** of the price the customer pays. The least commission payable to you on a personalised Self Inking stamp is **\$6.25**

All orders are supplied with a Tax Invoice for the amount you will pay us. You need to add 25% to the invoice amount plus the proportion of the postage cost to determine the price you will charge your customer. Apart from any discount offers such as less 10% for 2 or more stamps from the same customer, this will equal the price shown in our pricing booklet which we will supply to you.

We also include a few sweets with the order.

OUR COMMITMENT TO YOU

We undertake to manufacture Rubber Stamps of the highest possible quality. If the customer is not happy with their stamp we will replace it at no cost.

We supply a 1800 fax no. There is no cost to you to send your order.

Orders will be despatched via Australia Post the next working day following receipt of the order unless the product is not in stock. In these situations we will fax you to advise the expected despatch time.

Normal Australia Post postage charges are added to your Tax Invoice. You need to include these charges in the amount you charge your customer.

Orders are usually received within 2 - 3 work days.

Special requests such as the inclusion of logos or other art work is generally done at no additional cost.

Our professionalism is intended to compliment and enhance the business reputation you have already developed with your customers !

We invite you to join our team of many satisfied agents. It's as easy as detaching the response section of this brochure, completing your details and putting it in the mail or faxing it to us.

The small charge of \$25.00 covers the advertising stand and mat together with postage and packing. Don't forget you get a free self inking stamp worth more that \$25.00 as part of our introductory offer.

Hope to hear from you soon.
